October 14 and 15 - National Fall Trial

The following information has come to me from Dr. Van Wye. Our fall event will be held outside of LeRoy, Kansas on the old training grounds of John Harvey Parker on October 14 and 15. The Championship will be made up of three courses so the handlers will be responsible for their own horses. This is prairie country for big running dogs on wild quail. Our judges will be Bill Bullock of LaPlatte, Mo., and J.D. Spears of Leawood, Kansas. Both know dogs.

At present the plans are to hold the drawing in LeRoy at one of the Veterans halls. More will be coming to you as well as maps to aid you in your travel. Hope you can be there!

I hope you have taken notice of the completed nominations in the Fourth Annual National Shooting Dog Futurity also in October. It will be at the Three Rivers Game Management area once again near Baldwinsville, N. Y. It will be preceded by the 1967 National Pheasant Shooting Dog Futurity rather Championship which is sponsored by the New York State Bird Dog Association. It is likely to start on Oct. 2 but size of the entry will determine this. Two IRISH SETTERS, 82 pointers, 40 English setters, two Vizslas and one Pudelpointer are listed. It is required that the litter be enrolled in the FDSB and all puppies in litters listed are eligible for entry. All of these litters are whelped on or after Jan. 1966.

Ed Schmettler of Clear Lake, Minn. is the banner bearer with dams, Schnet's Jenny K with Mr. O'Leary as sire and Schnet's Kate with Schnet's Little Red as sire.

"As Robert Wehle of Scottsville, N. Y., said, 'There is a special need for a breeders' event to encourage the development of class shooting dogs.' "

We haven't done very well in supporting our Irish in the American Field's Hall of Fame voting perhaps we can make a special effort to do so next year since it is too late now to aid the cause this time deadline being the 29th but I do want to call attention to the fine promotion written by Herm David for Askew's Carolina Lady. Read it if you haven't already in the July 29 issue!

From Faunt Ekey are The Irish Setter Club of Western New York Irish winners: Windy Ridge Tammy, owned by Marilyn and Cliff Bean, 2nd and Kopper Key Hennessey, owned by Faunt Ekey, 3rd in the Amateur Gun Dog Members stake was headed by Kopper Key Hennessey and Willow View Easter Sunday, owned by Wm. and Charles Little was 2nd. All of the open stakes were won by English Setters and Pointers but few Irish seemed to be entered. One, "Lil", owned by Dr. Miller and Bean; two in the puppy, Flamin' Mame, owned by P. Griffin and Mos'n Acre Maahnargh; derby had Ballard's O.B. Boy Ballarrell, Kopper Key Kalamity Jane, Ekey & Ballard's Country Lad of Ballarrell.

Warren Johnson is back in the country at new address R. R. 3, Box 95, Osseo, Minn. 55369 and has sent along the report on their trial. "The Open Shooting Dog Stake was outstanding" and the others not so great. No Irish placed in the derby while the puppy had two with Lady Jane who is by Youtz's Red out of Double Jet being second & Katie was third. She's by Autumn Hills Duke. In the All-age Whirlaway Chief was second; Shannon of Redwood was third. Double Jet was 2nd in the Fred A. Kremer Memorial Open Shooting Dog. This was the first running of this stake and it turned out real well. Shannon is owned by Stan Smith; Lady Jane by Ed Johnson and Katie, Bob Peterson. "They really enjoyed having the Missouri people up and Warren also says he has retired Double Jet as she was really beginning to show her age. They hope the young Double Jet-Youtz's Red pup named Brown can take over as he shows a lot of good quality.

David J. Hasinger topped a field of 60 in the July trapshoot of the Roxborough Gun Club, firing a perfect score in the 16 yd. singles feature! The second shoot of the club he shattered 100 straight in the singles 16 yd. event again and Mrs. Hasinger was high in the singles for women with 94, placing third. We have quite a pair here, wonderful people, marvelous shooting!

Another change of address here to note is that of Dick Harrell now of 5753 N. ALTON Ave., Indianapolis, Ind. 46208. Dick hopes to make the fall trial with a new pup out of a Moanruad bitch by Valli Hi Country, mostly for experience he says as she'll be rather young.

He also has three 8 month old males for sale that are pretty straight Ardee breeding and he considers excellent prospects for this fall and their price is \$100. He recently returned from Joe Cannon's where he picked up a young bitch he had sent out and left another with him as he hopes to be in fall trials.

Jim Flythe, Barton Creek Kennels, Route 7, Raleigh, N. C. has a good litter he believes out of his Turkey Talk Joanie and Barton Creek Tom. Telephone 919 828-8386 if interested.

Dr. J. S. Van Wye

President Flythe has just called me this Sunday afternoon with the shocking news that Dr. Van Wye died yesterday of a heart attack. Dee Johnson's daughter, Betty Mix had just called him with the sad news. It is so difficult to believe that this fine man is no longer with us when I had just heard from him Friday with a fine letter including all of the trial news I had been needing for this issue. He and his lovely wife, Anita, planned on leaving to check out motel accomodations and restarants for us and make out the maps this weekend.

Dr. "Van" was a very able president of the Santa Caligon Irish Setter Club president and under his guidance the membership had grown tremdously. Many of us had also enjoyed his monthly news letter and a great deal of time and research had gone into many fine articles which usually accompanied the usual news of club doings that the two VanWyes were always very much a part of. His promotion of the National in the Missouri area was most appreciated and his efforts as a newly named director were already being felt.

It is with deep regret that we report Dr. J. S. Van Wye's passing and our most sincere sympathy to Anita in her great loss.

Membership in The National Red Setter Club is \$5.00 per year. Send to Mrs. Thomas S. Moffat, 4369 Forest Ave., Pontiac, Mich. 48054.
