Jim has also been busy sending out fliers regarding the interest in an Irish Setter club being formed for the Irish enthusiasts in the Virginia-Carolina area. The club would be for those wanting to aid promotion of the breed as a hunting dog as well as maintain its beauty. It is for breeders, fanciers for only personal use and should give an opportunity to see the Irish in this area. Contact Jim at Route 7, Raleigh or by phone 919-828-8386 by March 25 if you are interested or know of someone who might be. . . whether they are for hunting, show or simply want an Irish in their home as a pet.

Betty Leigh and Jack Ullrich have been giving thought to the fall trial. We hope you are considering all the areas and placement of our membership so you give your opinion at the spring meeting Sat. eve. Fall of '67 or '68 is a good aim for the South Hill Area for as Jack says we must be sure of a good turn out if we are to upgrade our trials and ask judges of repute. So THINK! Lloyd Gonzales has a good one to run in east but no time for the west

Reports from Ruth Kremer tell of quite a turn-out for their Minn. fun trial at her farm! With many new people attending and showing an interest in either the trialing, trimming or some phase of the club.

A number of people have written regarding Bill Thompsons new Irish Setter book and I have just received a letter from Howell Book House Inc. They are only now editing, typesetting and proofing the work so would appreciate our waiting to write them for a copy. They promise to inform me as soon as it is ready and I will let you know. They appreciate our interest of course.

The Santa Caligon Irish Setter Club, Ind., is planing a St. Patrick's Day (pot)luck of the Irish for March 11. Their field trial for all breed stakes will be judged by Ed White and Louis Corum, March 5 and 6. I'm too late in helping on entries but will be awaiting the results.

Mary Taylor's dog Chief placed 2nd and made a splendid showing for the Irish at the Ed Pugh Memorial All Age trial recently with Henry Taylor handling. This was against 17 pointers and two English, one Irish.

National members sending in some excellent accountings for their dogs in preparation for the selection of the second winner of the Fred Kremer Duke memorial trophy include Dave and Roz Stout, Ed Schnettler, David Peet, Jim Flythe and last year's winner, Cliff Bean. This is an award to those having made most wins in the field during the previous year.

Lucy Jane Myers of Duluth is wondering how many Carolina Lady daughters and sons are living. She has Lady's Colleen who is just past 12 but still looks and acts much younger. She was sired by Willow Winds Duke out of Askews Carolina Lady and produced many winners such as Ned's Lady's Queen whom he lost, Moffat's Apache Bill, Brun's Rusty Hobo, Double Jack litter from which we saw many other winners such as Double Jet, Double Cross, Himself & Shadycrest? ---quite a contributor! Anyone add to this?

Lucy Jane doesn't think she will be able to make it to the National but if Lord Kendrick continues to improve from his car accident, Al Soutar will be there with him.

Mr. Soutar also has another nice litter of dual type pups for sale. The sire is Lucy Jane Myers' Shannon's Erin and the dam is Draherin Tara Kendrick, strong in Carolina Lady and Kendrick bloodlines. 3 males are available. Write to Alexander F. Soutar, Palisades, New York rather than school address better make it 83 Lawrence St., Tappan, N. Y.

Minnesota puppy market is open again too, (think the Col. is trying to cut down and sneak away to the N. C. plantation.) Here is what he is offering for sale: Write to him at Rt. 1, Clear Lake, Minn. (E. L. Schnettler; Schnet's Jenny ex. Mr. O'Leary Whelped Jan. 16 (nom. both shooting dog futurities) \$100.

Schnet's Kate ex. Schnet's Little Red Whelped Feb. 9 (also nom. both shtg, dog fut.) \$100.

Many interesting comments have been coming in on the new Hunting Dog magazine. Herm David is said to have made good replies in the last issue regarding our Irish. (I have written for the magazine but no issues have come thus far.) Sounds like it fills a need in the dog world.

Remember to reserve the April 9-10 weekend for the trial! It is an excellent time to see the hunting Irish and meet many nice people. Our annual business meeting will be held Sat. eve following a dinner together at the Evergreen. Looking forward to seeing YOU!
