Dear Jim,

I believe you said you'd take care of it but I'm not positive so I'll check - have you sent in the add for the Am. Field and also the fixtures announcement?

Also how many club horses have you requested from Dale? I assume Dale will rent horses out by brace for 1<sup>50</sup> as before. The trial entry didn't specify this.

I don't know if you're aware of it but there's another futurity crusade being started in the K. C. club. It'll probably come up at the annual meeting if any of those fellows show up.

I just heard from Stan Head. He'll be bringing up a string of 4 to 6 dogs.

I plan to get down to Hanfield early Fri to post trial direction signs, etc.

I got a letter from Ed Schuetz yesterday - He said he plans to leave Minn. the 27th and take in the K. C. trial on the way down.

P.S. Are you bringing up birds for the trial?

Sincerely,  
Roger W. Boser
