

2012 Flushing Whip Issue 6

This is printed for easy on-line reading. If you open the file and view it as a 2 page spread, one side of every page will be blank. The stories however will read in perfect sequential order. Just scroll down and enjoy!

You can also print out *The Whip* in a booklet style and assemble it in full color. It is more tricky to read on-line because those pages bounce around and print like this: Page 56, 1, 55, 2, 54, 3, 53,4 etc. But, as I said, it can be printed out and read perfectly in the "booklet" view once it is assembled.

If you'd prefer to receive it that way, please write me and I will send it right back to you. Enjoy your *Whip!*
Deb ☺

Visit us on the web at: [http:// www.nrsftc.com](http://www.nrsftc.com)

**Membership to the:
National Red Setter Field Trial Club**

You are cordially invited to participate in
The Purest Challenge in sportsdom. Join us in the National Red
Setter Field Trial Club and enjoy the successful revival of the Irish
Red Setter as an effective gunning companion and first class field
trial competitor by becoming a member of our organization.

Annual dues are \$30.00 and are payable January 1st of each year. Membership rates for new members who join the NRSFTC after June 1st are prorated at \$15.00 for that calendar year. Membership dues include a subscription to *The Flushing Whip*. *The Flushing Whip* is available only to members of the National Red Setter Field Trial Club, Inc. Publication, which is supported by membership dues, is a service (but not an obligation) of the club's officers. A copy of each issue is mailed to every member in good standing. Membership application forms, Futurity Nomination Forms and other Mail-In materials are periodically included as the last page of *The Flushing Whip*. If forms are not available in this particular issue, you can download them from the NRSFTC web site.

Double Trouble! Double Fun! Redstone captured the title of National Red Setter Open Shooting Dog Champion for 2011. His father, Breakstone, was named Runner-up. In the National Red Setter Amateur Shooting Dog Championship, the positions

Breakstone

reversed with Breakstone emerging as Champion and Redstone settling for Runner-up. Congratulations to Dr. Roger Boser of Seven Valleys PA on the wins. What an incredible line of dogs. Breakstone is the sire and kennel mate of Redstone.

Rambling from Red Setter Run

Hi Folks! Hope you had a wonderful holiday season! Whether you are hunting, field trialing or just enjoying the world's greatest dog, may the coming year be prosperous and bountiful! My resolution for 2012 is pretty much the same as always— and probably won't change:

“Make mine RED!”

Anybody with me? I know for sure that Tom Robson is. Each issue of the Whip I have decided to do a brief spotlight on a member. You can read about Tom and Judy Robson and their puppy Bailey on page 32. As new members of the club last year, the Robsons have become good friends of the NRSFTC.

Speaking of good friends, Wilson Dunn was a long time friend of our organization. The National Red Setter Field Trial Club is deeply saddened to announce Mr. Dunn's passing. We extend our deepest sympathy and condolences to his family, his friends and all who knew and loved him. Wilson left two daughters, four grandchildren and eight great-grandchildren. I had the honor to visit with him in his store some years back. Wilson had his own “Bird dog museum” right there in the back room of his sporting goods shop. He spoke with such pride about the Bird Dog Museum and the Field Trial Hall of Fame— an organization that Wilson worked hard to help establish. He was honored to be selected to the Field Trial Hall of Fame— as was his great dog, Dunn's Fearless Bud. Wilson will be sorely missed, for sure!!

This issue contains the report of the Fall Trial in Grovespring Missouri. Bonnie Hidalgo, Trial recorder did an exceptional job recording the trial itself and then writing it all up for us! She and

(Continued on page 6)

her husband Dennis planned and organized ever detail of the trial and it came off like clockwork. Hat's off to both of them. Thanks once again for a job well done!

One of the high points of the trial was when NRSFTC Board Member Rupert Colmore celebrated his birthday. Rupert is 71 years YOUNG! Please take a moment and send him a birthday card in honor of the occasion. His address is:

Rupert Colmore, PO Box 329, Duck River, TN 38454

I came across a very nice "Tribute to a Dog" that I wanted to share with you. George G. Vest (12/6/1830- 8/9/1904) was known for his public speaking skills. He was a gifted attorney, a politician, a Missouri Congressman, a Confederate Congressman during the Civil War and finally a US Senator. But what Senator Vest is best remembered for is included in this issue. Very touching!

Thanks to all of you who paid your dues already. That's a big help in a small club like hours. Speaking of "Pay your dues," that was the answer to the puzzle in the last issue. Many of you sent it in and were included in the drawing for a club hat. The winner of the "Pay your Dues" puzzle was Steve Witz of Grangeville, Utah. Steve's dogs are doing very well in National Shoot to Retrieve trials out west. Check them out in the club standings. If you are competing in trials, please send your information in to the various award secretaries so your dogs will be listed too. A revised reporting form is available on the last two pages of this booklet. Pull it out and send it in so we can follow your pup's success too. Steve, we sold out of hats and I had to order new ones. As soon as they arrive, I mail it out. Congratulations! Wear it with pride.

Deb Agnew is recovering from recent surgery and doing well. She'd appreciate hearing from her NRSFTC friends. Send her a card to this NEW address : **1299 Richland Rd., Blaine, TN 37709** Well, looks like I'm out of room again so I'll stop here. Best wishes for a happy and healthy 2012. Enjoy your Whip !!

Deb

A Devoted Friend of the NRSFTC has died: **God Bless Wilson Dunn** 6-5-18 to 11-24-11

LEROY WILSON DUNN, 93, longtime resident of Grand Junction, Tenn., died Thanksgiving evening, **November 24th**. Twelve years earlier, Wilson's beloved dog, "Dunn's Fearless Bud" passed over into the heavenly fields on **November 24th**. Almost makes you wonder if Wilson whispered a promise to Bud right before the dog died: "I'll meet you in Heaven's best field on some Nov 24th in the future." It's hard to say but I'm certain Bud was eagerly waiting for his Master's arrival last November 24th— and I imagine Miss Polly was right there at his side. Mr. David Fletcher wrote the following eulogy which appeared in the American Field right after Wilson's death:

"The Dunn name has been familiar to bird dog field trial fans for more than fifty years. In 1953 the enterprising hardware merchant opened his store in Grand Junction, and over the ensuing five decades Dunn's became a household name in the sporting dog community, and the business eventually became a leading mail order entity.

Mr. Dunn attributed a great measure of his early success to the late William F. Brown, editor of The American Field, who suggested to him to advertise in The American Field. He did so, placing his name before the public and his business "took off." Wilson Dunn was born in 1918 in nearby Rossville, Tenn. His father and mother had two other children, but they died as infants. Wilson attended grammar school in Rossville, and graduated from Moscow (Tenn.) High School in 1936. Four years later, December, 1940, he married Polly Snelling, who preceded

(Continued on page 8)

him death in January, 2009.

Wilson and Polly had two daughters, Linda (Sam) Jennings and Nancy (Rodney) Chamblee. He had xx grandchildren and xx great grandchildren.

I met Wilson Dunn in 1967 at Henry Berol's Di-Lane Plantation near Waynesboro, Ga. He came to the Georgia Quail Championship with his pickup truck loaded with dog collars, leads, roading harnesses, bridles and many items for dog and horse owners, field trialers, dog handlers and the like.

Wilson Dunn's energy and enthusiasm as a salesman was unmatched. He brought his goods to local field trials, and his name became associated with quality merchandise that he stood behind. His store in Grand Junction, especially when trials were held in that locale, was a mecca for field trial and bird dog folks and where one could be almost assured of meeting other like-minded sporting dog fanciers.

As his business expanded, Wilson devoted a portion of his large retail store to a modest museum where field trial and bird dog memorabilia was put on display, an added treat for his customers.

In 1984 he sold his business, but the bird dog memorabilia was not part of the transaction. In the late 1980s, Wilson and Gary Lockee came to Chicago to discuss what they felt was a need for the sport — a foundation that would serve the sport as the umbrella entity for a sporting dog museum and the Field Trial Hall of Fame that had been unsuccessfully initiated in the early 1970s.

They had a parcel of land, and some monies were still available from the initial Hall of Fame fundraising in the 1970s. Through the unstinting efforts (both time and resources) of Wilson Dunn and Gary Lockee, who had moved to West Tennessee, the Bird Dog Foundation was established, and today boasts a beautiful

(Continued on page 9)

and impressive sporting dog center in Grand Junction.

Wilson Dunn's early association with bird dogs began with Brittanys, then setters in the 1970s, and eventually pointers. As you enter Grand Junction from the west there is a sign on the side of the roadway that hails the town as the home of "Dunn's Fearless Bud — Winner of the 1990 National Championship." Bud's win of the Grand Junction Classic, handled by Randy Patterson, was a high point in Wilson Dunn's field trial career. Bud also won the Purina Award for that field trial season. A second "high point" occurred in 1996 when Wilson was elected to the Field Trial Hall of Fame.

Wilson Dunn, Gary Lockee and John S. O'Neill, Jr. were the prime movers of establishing the Bird Dog Foundation in Grand Junction. Wilson was involved with purchasing the land, and he served the Foundation as a director. He was a great promoter of the Foundation and the Bird Dog Museum and worked assiduously to ensure its success. He was very proud of his town, Grand Junction, and very proud of the National Championship at nearby Ames Plantation.

Wilson patronized several dog trainers and was a patron of the field trial sport for decades. His wife Polly was a wonderful and gracious lady, taking part in almost everything that was going on in Grand Junction.

I will always remember Wilson as a great field trial man, a gifted salesman, a gracious host and a Southern gentleman. Octogenarian W. C. Kirk, who won the National Championship with Johnny Crockett (1970), and I communicated recently remembering Wilson and our tribute is given with a heavy heart and all sincerity."

The death of Wilson Dunn causes great sadness to the Field Trial community, and to all who knew and loved this man. Still, one has to imagine the great celebration in heaven when Wilson was reunited with those he so cherished. I can picture them now, Polly and Wilson galloping behind Bud as he treats them to one perfect find after another. Ride on the wind, Wilson! Go in Peace. May your coveys fly far and fast!

NRSFTC Shooting Dog Championships

Redstone and Breakstone dominate

By Bonnie Hidalgo

Redstone captured the title of National Red Setter Open Shooting Dog Champion for 2011. The three year old female is owned and handled by Dr. Roger Boser of Seven Valleys, PA. Breakstone, sire and kennel mate to Redstone, was named Runner-up Champion for Roger Boser. Thirteen top quality Irish Setters competed for the title.

In the National Red Setter Amateur Shooting Dog Championship, again with a Baker's dozen entered, the Boser stars reversed their positions with Breakstone emerging on top and Redstone settling for Runner-up.

The trial was conducted over the wonderful Grovespring, MO venue of the Field Trial Sportsmen's Association beginning on November 3. The three, one hour courses at Grovespring are among the finest in the country. The Field Trial Sportsmen's Association's practice of planting feed strips along all of the edges and scattering feed in those strips keeps the birds on the edges. The birds were found for the most part in large coveys that flushed readily, hanging out in general vicinities but not in predictable exact locations. The grounds were in superb condition and birds were plentiful; fourteen large coveys were moved on the first day of running and good numbers were seen throughout the trial. These pre-released birds act and fly like wild birds making them a challenge and a thrill to discover.

(Continued on page 13)

The Drawing was held on the eve of the trial at the Clubhouse on the grounds and was well attended. Entries held steady with the 2010 totals but were down from the norm for the second consecutive year. Unfortunately this is a sign of the times; when the economy turns around the entries will no doubt increase once more. Thirteen were drawn and run in each of the Championship stakes, with another seven entries in the Red Setter Open Derby and six in the Red Setter Open All Age.

In the Derby, the winner was Fidler's Firefly King Louie, a male owned and handled by Stephanie Fidler of Oak Grove, MO. Second place went to Kindle, a female owned by Bonnie & Dennis Hidalgo of Brighton, CO and handled by Bonnie. Rendition, a male owned by Roger Boser was named to third.

Come Back Silverado won the Red Setter Open All Age for under

(Continued on page 14)

the guidance of handler Jason Williams for owner Rupert Colmore of Duck River, TN. Roger Boser won second in this stake with Touchstone and was third with Breakstone.

The advertised Judges were Gary Cowell of Lancaster, MO and Jim Michaletz of Goodman, MO. They graciously judged all four stakes, paying careful attention to all of the performers. These gentlemen brought a wealth of bird dog knowledge and were a pleasure to have around. Sherrie Michaletz joined us on Saturday and we all enjoyed her smiling, happy presence in the gallery.

The National Red Setter Club greatly appreciates Purina for its generous support of the Club and this event. Purina's Pat Lamantia worked with Club President Don Beauchamp to ensure delivery of Purina Pro Plan Performance dog food to the grounds. Thanks to Andy and Sharleen Daugherty for taking the delivery of it for us. This exceptional dog food was distributed among the winners. As always it was enthusiastically received. Purina's Terry Trzcinski kindly supplied our judges with terrific jackets compliments of Purina. Without the help of these gentlemen and the backing of the fine company they represent, this Club would not be able to hold such quality events as our National Red Setter Shooting Dog trial has come to be. The reason that Purina is able to support us is through the fact that they make the best dog food there is and we must always remember to support them in return. Please Feed Purina!

Tri-Tronics is also a major sponsor of this field trial! Every fall they generously donate product which we in turn present to the winners of our National and National

(Continued on page 15)

Amateur Shooting Dog Championships. Warner Smith at Tri-Tronics works directly with NRSFTC President Don Beauchamp to provide these collars and is always a pleasure to do business with. These state of the art training collars are coveted prizes. Each and every member of the NRSFTC appreciates the support our club gets from Tri Tronics but even more so the reliability of their products which makes the training of our dogs so much easier.

Trail Co-Chairs were Dennis and Bonnie Hidalgo. Bonnie arranged for judges, handled secretarial duties and collected the fees. Dennis marshaled, conducted the drawing, and announced the braces and the winners as well. Dennis also baked the cookies that were available between braces. Don Beauchamp assisted in the presentation of awards and allocation of dog food.

John Evans was our dog wagon driver and he is a godsend to this group. We are not a large group and we all prefer to be out watching the dogs from horseback so having a dedicated driver is fantastic, especially one who knows his way around and knows where to be at the right time. John set out the cookies and coffee for all of our breaks and kept in radio contact in order to be close at hand at pick up times. Thanks Dad! Thanks also to Betty Evans (Mom) for keeping him company when she wasn't riding her horse.

Socializing is a big part of the National Red Setter Club persona. Every night the group got together for dinner whether at the clubhouse or a preselected restaurant in Lebanon, MO. The dinners were well attended with members of the group obviously enjoying each other's company. On Wednesday night a BBQ chicken dinner was served at the

(Continued on page 16)

drawing for all in attendance. Linda Beauchamp baked a birthday cake for club member Rupert Colmore who celebrated his 71st birthday on the night of the drawing. The cake was exquisite, both inside and out!

On Friday evening a cocktail hour was hosted by Dr. Roger and Mary Boser in honor of Redstone's win of the Open Shooting Dog Championship earlier that day. Dinner followed with Dennis Hidalgo grilling steaks to go with sides and dessert that were readied in the clubhouse kitchen. After dinner, a brief awards ceremony followed with some year-end awards presented for the trial season that ended on June 30, 2010. Club President Don Beauchamp and Awards Chairperson Bonnie Hidalgo presented the various awards. The winner of the Duke

Breakstone wins the Duke!

Award for high point Red Setter in all breed competition was Breakstone owned by Roger Boser. Jericho was runner-up; he is owned by Don Beauchamp of Cheney, KS. The Derby of the year went to Justified owned by Roger Boser.

The evening concluded with KP duty which was made light by many willing hands. Thanks to Sue Norton for washing dishes. Thanks to Betty Evans, Mary Boser and Linda Beauchamp for help

(Continued on page 17)

with wrapping the leftovers and general clean up.

We were happy to have Bruce Ludwig from Hatton, MO in attendance for his third year. Bruce came to run a Derby but a horse wreck the day before caused him to scratch. We were glad to see him back for the weekend with his daughter Jessica who rode some braces.

NRS Open Shooting Dog Championship Winners & Others

The 2011 National Red Setter Open Shooting Dog Champion, Redstone appeared as a bye dog on course one, Friday morning. She ran a fantastic forward race, taking the edges and running them all to their proper conclusion. She handled Davis bottom like a pro before dropping out of sight to the front. She was found at the creek crossing, locked up tight on a covey with all in order at 28. From beginning to end, her hour was an exciting one to watch. She finished her hour at the end of Little Vine loop having covered an amazing amount of ground in her search for game. Roger Boser had her fine tuned and Redstone did not disappoint! Redstone was whelped in February of 2008 in a litter sired by Breakstone and out of the dam, Applebee. Redstone counts among her prior placements, 2nd in the spring 2010 National Red Setter Futurity and Runner-up in the National Red Setter Shooting Dog Championship in the fall of 2010

Breakstone, the Runner-up Champion drew the third brace of the stake and was released at the clubhouse gate. He was forward up the hill at the start. He was absent briefly on the west end of the loop but showed forward in Horse Corral bottom. Breakstone continued with an attractive forward

(Continued on page 18)

hour; he was impressive as he rimmed field edges with a kind handle. He pointed intently near the cemetery at 38, Boser had to go under the fence to put up his birds but it ended with all in good order. At 45, Breakstone pointed again, this was on the way up the ridge but was not productive. Stony continued forward until time was called although his pace was somewhat slower than when the hour had begun. Breakstone has become a household word in the circuits he travels. His list of wins is immense and he has dominated the National Red Setter scene these past few years. His rapport with his owner and handler Roger Boser is inspiring.

Jordin was carried on the judge's card until Redstone ran in the final hour. Her brace was turned loose just off Apple Tree hill on Thursday afternoon. Jordin backed with style and manners at 7 while her bracemate was taken up. Jordin's first find was toward the far end of Little Vine loop, she showed excellent style and manners. On the right edge of the cornfield at 21, she notched her second flawless find. Rounding the corner into Sycamore bottom, she stacked up nicely on the left edge; standing high and tight for the flush of the covey. Jordin took the right edge through Sycamore, strong to the end. Up the alley and all the way to the Blue house she hunted hard but at the expense of race. She was briefly absent in the Bull Pasture before coming on to score a fourth find at 53 on a huge covey with impeccable style and grace. She finished forward in Climer's pasture. Jordin is owned by Dennis and Bonnie Hidalgo and was handled by Bonnie.

(Continued on page 19)

NRSFTC Open Shooting Dog Championship Running

Jericho (Beauchamp) ran with Flintstone (D. Hidalgo). Flintstone displayed all age range, showing forward a few times to Davis Bottom. He was last seen in the Island Field at 36. Jericho ran a good, forward hour. He pointed near Vacuum Hollow at 28 but it was barren. Just past the top of Horse Killer Hill, Jericho crossed in front of the gallery to point on the right edge. All was in order for flush and shot. He finished the hour with no further game contact.

YouToo (Beauchamp) and Cedar Creek Skyliner (Liermann) left from Little Vine Road. YouToo pointed in the cornfield at 15 but no birds were produced. At the cross row in Sycamore, both dogs pointed but no birds were home and YouToo was put on the wagon. Skyliner continued forward all the way to the Bull Pasture where he notched a mannerly stop to flush at 50. He completed the hour forward.

Breakstone (Boser) and Come Back Silverado (Williams) Breakstone's performance is listed above. Silver broke forward and handled kindly throughout the Clubhouse loop. Silver turned towards Climer's from Horse Corral bottom and was not recovered under judgment.

Aiken (Beauchamp) was braced with Cedar Creek Ginger Snap (Liermann) Aiken showed forward a few times to the first creek crossing before becoming lost. Ginger showed fast and forward; she was kind handling. Ginger pointed below Horse killer but went with the flush.

Come Back Tuff (Williams) and Jordin (B. Hidalgo) Jordin's performance is related above. Tuffy pointed with good style at 7 near Little Vine road, backed by her brace mate. Tuffy moved at the flush of a large covey and was taken up.

(Continued on page 20)

Touchstone (Boser) and Berken of the Snows (Norton) turned loose heading into Climer's. Both broke nicely forward; into Clubhouse loop they remained forward. Berken pointed a large covey with excellent style and good manners near the pond before the clubhouse at 19. Touchstone turned right at the Twin Barns and scout Beauchamp found him pointed on the wood edge, the dog displayed very good style and manners as Boser put up the covey. Berken pointed again along the woods east of barns, relocation was required but the dog was in motion when the birds left at 40 to end his bid. Touchstone continued with some good moves, finishing the hour heading up the ridge but did not always stay tuned to his handler's desires.

Redstone (Boser) appeared as a bye dog Friday morning; her winning performance is given above.

Red Setter Open Derby

This stake commenced immediately following the end of the Open Shooting Dog Championship. It ran on continuous half hour courses. Fidler's Firefly King Louie handily won the Derby for his owner and handler Stephanie Fidler of Oak Grove, MO. Louis was strong and mature on the ground; showing a lot of independence. He stayed forward at good range while responding nicely to his handler.

Kindle was second for owners Dennis and Bonnie Hidalgo, she was handled by Bonnie. She was mainly forward in application, showing extreme speed as she clung to her edges.

Third place went to Rendition owned and handled by Dr. Roger Boser. He was forward in pattern and used the edges well.

(Continued on page 21)

Red Setter Open All Age

Comeback Silverado ran a strong and consistently forward race to win this stake. He scored a covey find in which he was a picture of superior poise. Silver was handled by Jason Williams for owner Rupert Colmore of Duck River, TN; who proudly watched from the gallery.

Touchstone was second with a big race and one nice find. His pattern and handling was not as smooth as that of the winner. Touchstone is owned and handled by Dr. Roger Boser.

Breakstone turned in a good quality all age race but went without bird contact to annex third place. Breakstone was handled by his owner, Dr. Roger Boser.

NRSFTC Amateur Shooting Dog Championship Winners

Roger Boser swept the titles in this stake with Breakstone the convincing winner and his daughter Redstone coming in for the Runner-up honor. These dogs are impressive with their style and their consistency. Roger has a good regimen of dog training and it gets results.

Breakstone was released heading into Sycamore bottom, the third brace on Saturday morning. He made good moves taking the lines forward, showing a powerful stride. He remained consistently and attractively forward to the barns, past the blue house into the Bull pasture. Breakstone stopped to flush in the bottom of the first draw overlooking D Hwy, all was orderly. Breakstone continued forward and coming up the next draw, he pointed stylishly. Birds were flushed as he stood perfectly. Breakstone's hour continued through Climer's and around the clubhouse loop. He remained forward to its conclusion but with no more bird contact.

(Continued on page 22)

Redstone ran on course one on Sunday morning. She was strong on the ground and a handful at times. She swept the forward edges through Davis bottom. Redstone was forward across Apple Tree Hill and on into the Little Vine loop. Her one find came just before the hill decent from the loop at 57. Her birds lifted as Boser called point; Redstone was in view of the judges and standing steady.

NRSFTC Amateur Shooting Dog Championship Running

Brownhaven's Steel Magnolia (Baker) and Patina (Boser) ran course one. Rachel was strong and forward with some very nice moves. She was absent by the time the course reached the gates to Sycamore but returned to the front at Davis bottom and continued forward. Patina had an unproductive at 29 in Davis bottom and was in general not pleasing her handler who opted to pick up.

Jordin (B. Hidalgo) and Jericho (Beauchamp) were released near Little Vine road. Jordin pointed a covey at 30 seconds, handling the situation very nicely. Jericho went up the Little Vine Hill and pointed on the right edge at 2. Unfortunately, he wasn't so lucky and was taken up. As I sit here at my computer with thorns still emerging from my skin this next part is brought "sharply" into focus! Jordin was on point on the right edge at 8 but even a determined flush in a briar patch netted no game and she went on with an unproductive. Jordin showed well on the right edge after Little Vine loop and disappeared briefly, before coming off the hill on the right into Sycamore. She grabbed the left edge and went

(Continued on page 23)

around the turn where she was found standing on point. No birds were produced in front of her although it was later reported that spectators had seen some leave; officially her card showed a second unproductive and the brace was over.

Breakstone (Boser) and Berken of the Snows (Norton)

Breakstone's hour is related above. This pair released in Sycamore bottom, Berken took the edge forward, and hunted smartly forward all the way to the Bull Pasture. Berken was heading down a draw just as Breakstone stopped to flush, the birds went over Berken's head and he turned to follow.

Aiken (Beauchamp) and Flintstone (D. Hidalgo) These two were wide and strong on the ground. Flintstone was lost early. Aiken finished the hour but went without contact.

YouToo (Beauchamp) with Justified (Boser) YouToo pointed birds with perfect manners on two occasions, showing good style. His application was handy. Justified showed his youth and made a mistake on game to be up early.

Redstone (Boser) and Cedar Creek Skyliner (Liermann) This pair ran course one on Sunday morning. Redstone's runner-up performance is found above. Skyliner had a lengthy absence near the end of Davis bottom but returned to the front in the Island Field. Off Apple Tree Hill at 41, he was directed to the right edge where he pointed stylishly. After a brief flushing attempt he indicated lost scent, Skyliner's handler asked him to relocate and the work ended in a stop to flush. Coming out of the Little Vine loop, Skyliner completed his hour forward.

Cedar Creek Ginger Snap (Liermann) Ginger was edge running attractively; but erred on birds in the bull pasture and was up early.

Pictures of the trial events follow this report:

Red Setter Open All Age: Jason Williams w/ Comeback Silverado, Jim Baker w/Touchstone, Don Beauchamp w/Breakstone. Standing: Rupert Colmore, Bonnie Hidalgo, Jim Michaletz; judge, Tom Norton, Gary Cowell; judge, Roger Boser, John Evans, Kenzie and Stephanie Fidler.

Red Setter Open Derby: Brian Fidler w/ Fidler's Firefly King Louie, Bonnie Hidalgo w/ Kindle, Roger Boser w/ Rendition. Standing: Kenzie and Stephanie Fidler, Jim Baker, Jim Michaelitz & Gary Cowell, the judges; Tom Norton, Don Beauchamp and John Evans.

NRS Open Shooting Dog Championship: Bonnie Hidalgo w/ Redstone, Don Beauchamp w/ Breakstone.
 Standing: Jim Baker, Jim Michaletz and Gary Cowell; the judges, Tom Norton, Roger Boser, Brian, Kenzie and
 Stephanie Fidler.

NRS Amateur Shooting Dog Championship: Mary Boser w/Breakstone, Bonnie Hidalgo w/ Redstone, Standing: Gary Cowell; Judge, Roger Boser, Ed Liermann, Jim Michaletz; Judge, Jim Baker, Brian, Kenzie & Stephanie Fidler, and Sue Norton.

Happy 71st Birthday Rupert!

*"We don't stop
laughing because
we get old, rather,
we get old because
we stop laughing!"*

*Congratulations
Rupert—
71 years young!*

The dog wagon! John and Betty Evans and Rupert Colmore. Special thanks to Bonnie's parents who chipped in and helped any place they could find a need.

Kenzi Fidler having lots of fun on the trail.
Let's see more of this— great job getting the kids involved!

Tribute to a Dog

By George G. Vest

George Graham Vest (1830-1904) served as U.S. Senator from Missouri from 1879 to 1903 and became one of the leading orators and debaters of his time. This delightful speech is from an earlier period in his life when he practiced law in a small Missouri town. It was given in court while representing a man who sued another for the killing of his dog, a foxhound named Drum. During the trial, Vest ignored the testimony, and when his turn came to present a summation to the jury, he made the following speech and won the case. Drum's owner was Charles Burden. He sued and was asking 200 dollars. After only a few moments discussion, the jury awarded Mr. Burden 500 dollars and their deepest sympathy. "Gentlemen of the Jury: The best friend a man has in the world may turn against him and become his enemy. His son or daughter that he has reared with loving care may prove ungrateful. Those who are nearest and dearest to us, those whom we trust with our happiness and our good name may become traitors to their faith. The money that a man has, he may lose. It flies away from him, perhaps when he needs it most. A man's reputation may be sacrificed in a moment of ill-considered action. The people who are prone to fall on their knees to do us honor when success is with us, may be the first to throw the stone of malice when failure settles its cloud upon our heads.

The one absolutely unselfish friend that man can have in this selfish world, the one that never deserts him, the one that never proves ungrateful or treacherous is his dog. A man's

(Continued on page 31)

dog stands by him in prosperity and in poverty, in health and in sickness. He will sleep on the cold ground, where the wintry winds blow and the snow drives fiercely, if only he may be near his master's side. He will kiss the hand that has no food to offer. He will lick the wounds and sores that come in encounters with the roughness of the world. He guards the sleep of his pauper master as if he were a prince. When all other friends desert, he remains. When riches take wings, and reputation falls to pieces, he is as constant in his love as the sun in its

journey
through
the
heavens.

If fortune
drives the
master
forth, as an
outcast in
the world,
friendless
and

homeless, the faithful dog asks no higher privilege than that of accompanying him, to guard him against danger, to fight against his enemies. And when the last scene of all comes, and death takes his master in its embrace and his body is laid away in the cold ground, no matter if all other friends pursue their way, there by the graveside will the noble dog be found, his head between his paws, his eyes sad, but open in alert watchfulness, faithful and true even in death."

George Graham Vest c. 1855

Spotlight on NRSFTC member Tom Robson (with Bailey) of Albuquerque NM

Introducing Tom Robson and his best pup, Bailey. I asked Tom to write a few words about himself and his interest in our club.

Take it away Tom:

"I am an Architect, have had my own firm since 1984, doing mostly Multi-family housing, Hotels and Commercial work in New Mexico, Texas, Colorado and Arizona. My wife, Judy, was a stay at home mom while my two sons were growing up....now she takes care of me, waiting for ME to grow up, I suppose! My sons are out on there own and I am trying to be

semi-retired. Two of my closest hunting and fishing buddies are Henry (who owns a winery in New Mexico) and Farrell (who owns a farm in Kansas.) They both have Springer Spaniels but don't hold that against them, because Farrell's Kansas connection is how I came across Bailey!

Bailey stole my heart in November of 2010 three months old and ready to take on the world. Bailey's sire, Jericho is owned by Don Beauchamp and her dam is Mattie's Blue Darter owned by Mark Workman. I was looking for a bird dog when I found the NRSFTC web site. I had owned a red setter, named Colleen, years ago and really wasn't going to buy another pup that wasn't a Red

(Continued on page 33)

Setter. When Colleen died in 1987, I did try other breeds. I hunted behind a Brittany, but she couldn't find a bird if it bit her on the nose, a Lab and finally a Springer, who was a good flushing dog but, you know there is something special about a pointing dog.

I love to hunt quail so, as I approached semi-retirement, I decided hunting without a dog wasn't much fun. While surfing the internet I discovered the NRSFTC web site and Don Beauchamp's Pine Hollow Kennel in Cheney, Kansas, which was not far from Farrell's farm ! Right there on the Pine Hollow home page was a picture of Buddwing. I called Don right away, and we got to talking; I told him why I was looking for a red setter and he told me he had a litter and there were three females left— although Don was keeping one of them for himself. What clinched the deal was the fact that the dam of the litter was a direct, although many times removed, descendent of Buddwing. My previous dog, Colleen, had been one of his puppies— I'd purchased her in the winter of 1974-75, talk about a small world! It just so happened that David Garrett campaigned Buddwing in the Southwest Field Trial Circuit out of Corrales, New Mexico; and that my friends, is how the circle was completed.

I took her hunting last winter or should I say, she hunted pretty much wherever she wanted, as hunting dog pups are prone to do. She did get a snoot full of quail on occasion and actually did some retrieving. This year was her first official season so we went back to Kansas to hunt the farm for quail. She did amazingly well, in two morning hunts we killed 12 quail over her which she retrieved to hand, just like a real bird dog. She pointed many more than those twelve but, truth be told our shooting wasn't up to her standards.

By the way, I got a great compliment from Farrell who told me he "was a much better shot when hunting over the red setter." That's high praise coming from a Springer owner!"

Thanks Tom! Sounds like you and Bailey are a perfect match— one that was meant to be from the very start! A tip of the hat to you for sharing your story— and speaking of hats, I'm sending you one for being our featured member this issue.

Next issue we could introduce YOU. Send me a picture or give me a call to volunteer— and in return, you'll get a NRSFTC hat too! ☺

Tom Norton's All Breed Honor

As reported in the American Field Vol. 275, No. 15 dated April 9, 2011
through Vol. 275, No. 26 dated June 25, 2011

Congratulations to Breakstone and Roger Boser for their Runner Up placement in the National Amateur Pheasant Shooting Dog Championship in a field of 55. What an impressive win— a great highlight of today's Red Setter!

Dog & Placement	Owner Handler	Sire	Dam	Trial Name	Competition
Conneaut Creek Angelica places 3 rd	Al Fazenbaker	Breakstone	Applebee	Beaver Valley Pointer and Setter Club, Open Puppy, 9-3-11	6 entries
Her Ruby Red Slipper places 1 st	Al Fazenbaker	Sharpton	Applebee	Beaver Valley Pointer and Setter Club, Open Shooting Dog, 9-3-11	37 entries
From the report: Her Ruby Red Slipper cruised the grounds like she had been there before and tallied three well spaced finds while running a nice forward race to pick up the blue for a great effort under horribly hot conditions.					
Russell's Natural Disaster places 2 nd	Carrie Michael	Chukarhill Burn Notice	Russell's Grapevine	Calgary Pointing Dog Club, Open Puppy, 9-10-11	13 entries
Breakstone places 2 nd	Roger W. Boser	Sharpton	Chantilly	National Amateur Pheasant SD Championship, 8-17-11	55 entries

From the report: Breakstone set off at the eastern edge of the section in the mid-afternoon. The initial cover was high but manageable. When we reached the edge of the cover Breakstone made an edge cast 500 yards to the north. He did not come back for over four minutes. By 18 a scout was sent to investigate and the distant shout of "point!" was heard. Judge Tande cantered to the scene. Breakstone was standing loftily on the edge looking to the west. Dr. Boser flushed for only moments and a bevy of chickens lifted in front of perfect manners. A splendid limb find! We regained the front about mo minutes later and both dogs were watered at the horse tank and cast off into the draw heading west on traditional course No. 5. Their ground races were spirited and at 40, as we climbed the tree rows along the fence line running north/south, both of the Doctors had their respective hats off for a common point. As the gallery approached it appeared to be a white dog backing a red dog but the judges would sort this out as a covey of Huns was produced and manners for both dogs were perfect. Both dogs suffered slightly through the heavy clover heading back to the east toward the grain elevators. At 58 Dr. Brown flushed once again for Desperado just shy of the grain elevators, an empty effort. The dogs finished nicely, albeit a bit tight, as the cover was quite dense.

Jag places 2 nd	Jim Martin	Red Hawk	Arrowhead's Anna Belle	Mid-State Field Trial Club, Amateur Derby, 10-29-11	6 entries
From the report: Jag runs with high energy and great determination and during his 30 minutes had two game contacts. He is a very promising red setter and his manners indicate that he should be successful at the next level.					
Iskote Ahnung places 2 nd	Spero Manson	Brophy's Sandcreek John Galt	Brophy's Irish Dream	Colorado Pointer Club, Open Derby, 9-10-11	10 entries
Fidler's Firefly King Louie places 2 nd	Stephanie Fidler O & Brian Fidler O/H	Firefly's Solid Dollar	Firefly's Martina	Hoosier Vizsla Club, Open Derby, 10-21-11	30 entries
Come Back Hightider places 1 st	Joe Edwards	Comeback Audie	Celtic's First Option	Duplin County (N.C.) Gun Dog Club, Open Shooting Dog, 10-8-11	3 EP, 3 IS
Come Back Strander places 2 nd	Joe Edwards	Comeback Audie	Celtic's First Option	Duplin County (N.C.) Gun Dog Club, Open Shooting Dog, 10-8-11	3 EP, 3 IS
Come Back Bee Gee	Joe Edwards	Comeback Audie	Celtic's First Option	Duplin County (N.C.) Gun Dog Club, Open Shooting Dog, 10-8-11	3 EP, 3 IS
From the report: In the Open Shooting Dog, Come Back Hightider, Come Back Strander and Come Back Bee Gee dominated the field for owner-handler Joe Edwards. Not only did the red setters set the ground on fire, but they scored on bobwhite with perfection.					

Dog & Placement	Owner Handler	Sire	Dam	Trial Name	Competition
Andreda places 1 st	Paul Ober O/ Joe Edwards H	Come Back Johnson	Celtic's Adjudication	Duplin County (N.C.) Gun Dog Club, Open All Age, 10-8-11	2 EP, 2 IS
Come Back Audie places 2 nd	Joe Edwards O/ H	Come Back Johnson	Come Back Diddle	Duplin County (N.C.) Gun Dog Club, Open All Age, 10-8-11	2 EP, 2 IS
Come Back Strander places 2nd	Joe Edwards O/ H	Comeback Audie	Celtic's First Option	Duplin County (N.C.) Gun Dog Club, Amateur All Age, 10-8-11	1 EP, 1 ES, 2 IS
From the report: Come Back Strander hit the edges and hunted them out of sight only to show when Joe called point for him. Strander held for shot with all in pristine order.					
Colonade places 3 rd	Roger W. Boser O/H	Touchstone	Solitaire	Penn Jersey Trials, Amateur Derby, 10-15-11	7 EP, 3 IS
From the report: The red setter Colonnade was right in the mix too with a good race and the bird work of a Roger Boser dog, which was high and tight.					

Interesting Dog Trivia

- ◆ President Franklin D. Roosevelt's most famous canine companion was his Scottish Terrier, Fala, who is part of the Roosevelt Memorial in Washington, D.C. But during Roosevelt's 12 years and one month as president, 11 dogs lived in the White House. They included a Bullmastiff, **Two RED SETTERS**, a retriever, a Bulldog, a Llewellyn Setter, a Scotch Terrier, a Great Dane, a Sheepdog, and a German Shepherd who tried to rip the pants off the British Prime Minister. See historic photo on our back cover.
- ◆ The Canary Islands were not named for a bird called a canary. They were named after a breed of large dogs. The Latin name was *Canariae insulae* - "Island of Dogs."
- ◆ Dogs in monuments: The dog is placed at the feet of women in monuments to symbolise affection and fidelity, as a lion is placed at the feet of men to signify courage and magnanimity. Many of the Crusaders are represented with their feet on a dog, to show that they followed the standard of the Lord as faithfully as a dog follows the footsteps of his master.
- ◆ The common belief that dogs are color blind is false. Dogs can see color, but it is not as vivid a color scheme as we see. They distinguish between blue, yellow, and gray, but probably do not see red and green. This is much like our vision at twilight.

42nd National Red Setter Futurity

\$ 1000 purse guaranteed divided 60%/40% winner-breeders to 4 places

To be run on bob white quail in the spring of 2014

Nominating Rules:

Nominations for bitches and stud dogs registered in the *Field Dog Stud Book* and bred after November 1, 2011. Bitches (dams) must be nominated and the first forfeit (\$25.00) submitted after whelping and within 75 days after service. This payment and enrollment of the litter in the *Field Dog Stud Book* qualify each puppy for entry in the 42nd National Red Setter Futurity. Nominations close December 31, 2012. Bitches (dams) can be bred until October 31, 2012 and be nominated. A second forfeit of \$20.00 for individual dogs must be submitted on or before December 31, 2013 and the dog registered in the *Field Dog Stud Book*. A Futurity entry fee must be paid prior to the trial drawing. Late second forfeits of individual dogs after December 31, 2013 will be accepted up to the night of the drawing with a LATE PENALTY of \$25.00. The trial date and venue will be advertised in the *American Field* and *The Flushing Whip* well in advance.

Name of Dam and FDSB Number	PLEASE PRINT ALL INFORMATION CLEARLY IN BLOCK LETTERS	
Owner of Dam	Phone #	
Street Address	E-mail Address	
City, State, Zip code	Cell Phone
