NRSFTC Spring Classic Program March 30-31--March 15 Entry Due!

From Dan Fahy, Trial Sec. & Jack Ullrich, chairman

"Hi Fellow Setter Owners:

It is the desire of the N.R.S.F.T.C. to give all Setter owners an opportunity to compete their dogs, so see others in action, and to place a Champion if he so qualifies.

I know of no better way to improve the breed in the field than by attending - participating and evaluating the performance of the other dogs that are there.

Seriously - why not plan on attending this Spring Trial on March 30 and 31st at the Hawfield Plantation? These are the grounds on which the Amateur Quail Championships and the National Open Shooting Dog Trials are conducted.

The area is more than ample, therefore we have contiguous courses and can accomodate that bitch even if in season by running her on a completely different course.

Your attention is called to several items, the most important being the closing date for entries: MARCH 15, 1968, so please be certain to have your entries mailed in time or place a hurried call, Tel. No. 201-459-4132. No post entries.

Horses are arranged for and your advise as to your needs should also be given to the F. T. Secretary, who will reserve one for you by the day, hour or brace. (Rates are \$15.00 day, \$3.00 hour, or \$1.50 brace.)

Note that in Championship Stake you must fire a gun of 32 Calibre or larger. This is manditory in Championship stake, AFTCA rules.

Accomodations can be made at the President Madison Inn or at DeVivis Motel, both located in Orange, Va.

Kennel and horse accomodations at Hawfield Plantation.

If you know of any other Irish or Red Setter owner who may be interested in our trial let the Secretary know so that he can receive a premium entry and information.

See you at the drawing--Friday Eve, March 29th, 9 p.m. at the

Joe Reed has sent in another placement for Vanita's Wild Gael. He handled her to a second in the All Breed Shooting Dog Stake at Bartlesville, Okla. on Feb. 11. Bluestem Field Trial Association sponsored the event. This gives Gael a score of 229 making her top dog thus far and the deadline is March 1, for the Autumn Hills Duke Memorial trophy given to the winner of most trials in past year figured on a point basis which we will repeat soon for benefit of new members.

Those Minnesota folks are really stirring around this year, apparently Dave Peet journeyed down to check up a bit on Ed Schnettler's doings taking Peet's Contention. Two Ontario fellows, Ed Ten Broeck and Bill Blan were there, Roger Boser also has stopped off. Report is his derby is looking good and has picked up another 33 points in scoring on basis of 2nd derby at York Pointer and Setter Club, Jan. 20th. And of course genial Jim (Flythe) keeps fairly good tab which is a pretty good idea!

Best regards to all from Don and Hazel Wilson of Minneapolis who say lack of snow this year should enable Minn. dogs to be in trial shape. Bob Peterson (also of Minneapolis) says, "see you at the trial". Rachel Schnettler says she has been happy to give snow shovel and herself a rest but not so happy over it is Ed's nephew member Speck Red Flament, being another ski buff.

Larry Crum, 133 Hampton Roads Ave., Hampton, Va. has two female pups that are with Joe Cannon entered. These are worth watching as sired by Valli Hi Counselor out of his Murcrest Mollie Mishief whose sire was Ike Jack Kendrick. He also has a new litter of 4 males & 3 females sired by dam's brother, Murcrest Mike's Ike. Dam is a half sister. \$75. either sex, he's keeping one male. If Larry can help anyone enroute or returning to trial he will be glad to do so--about 2 hrs. away from Orange. Tel. 703-723-9196.

R. H. Harrell of Indianapolis also plans on making the trial with a pup-derby entry who is evidently recovering nicely from recent hernia operation. (Watch out for wallets if wearing jeans and horseback riding, right!)

A. P. Wolfe, R.2, Perryville, Ark. 72126 writes that his dog Phil's Red Ike is still siring big litters though he will be 12 in March. He is out of Ike Jack Kendrick and Carolina Lady's Stylehigh (Miss Bobbity). His bitch had 13 pups, all sold Christmas except 1 male that will be 3 mos. Feb. 15. He also has another stud available-- contact him for further information on either.

Judge and Mrs. Robert Coleman of Bowling Green, Ky. write that they plan on attendingg trial though minus newly purchased Kentucky Doll. (The Dude ex. Golden Doll) She placed 2nd in Shooting Dog stake at Athens, O., against 6 pointers and 5 setters but then he couldn't resist breeding her to Kentucky Redbird. (Mr. O'Leary ex. sister to Windyridge Tammy--Ike Jack Kendrick & Van's Cindy.

We are sorry to inform you that F. P. Reynolds of Charleston, S. C. died some time ago but I had known until this week. Mr. Reynolds had been a member for as long as I have records and our sympathy is extended to Mrs. Reynolds.

Some planning will need to be done ahead of time if we are to retain membership and grounds at Killdeer Plains, Ohio. A meeting of the Associated Bird Dog Clubs of Ohio of which we are members in good standing will have a meeting at the offices of the Ohio Division of Wildlife, 1500 Dublin Road (route 33 N.), Columbus where trial schedules and officers for new year are order of business. This will be at 1 p.m. March 3. Reports will also be heard from Don Thompson and Bill Hendershot from the Wildlife Division. Winners dog of year award is also named at this time. If any NRSFTC can attend we would appreciate your listening in--our directors must decide what we are going to do. Grounds priority applications for State areas are no longer going to be accepted by mail but must be presented at the semi-annual meetings of the A.B. D. C. of Ohio! Present applications show dates taken from Sept. 14 thru Nov. 24. Members might relay their thoughts to one of directors listed in format.

New officers of the Missouri Field Bred Irish Setter Club are Larry Nichols, pres., James Alexander, vice-pres., and Mrs. Wm. S. Carter, sec. Her address is 612 Twin Fawn Drive, St. Louis, Mo. 63141.

The Santa Caligon Irish Setter Club also has had an election with Lawrence Myres, pres., Jerry Ward, vice-pres., Joe Sokoloff, publicity agent, Ron Hoppes and Scott Shannon, elected to board of directos and Bob Harrison, Box 50, Gardner, Kansas will accept club dues, and it looks like will continue the fine newsletter of the club. This is quite proud, and rightly so, that they have 3 of five dogs on Henry Davis' 1967 All American Irish Setter Team. They were Vanita's Wild Gael, which was developed by the late Dr. J. S. Van Wye, Whirlaway Chief, owned by Henry Taylors and Timmy's Baby Bean owned by Bob.

With the trial the most important, here is more from Jack--

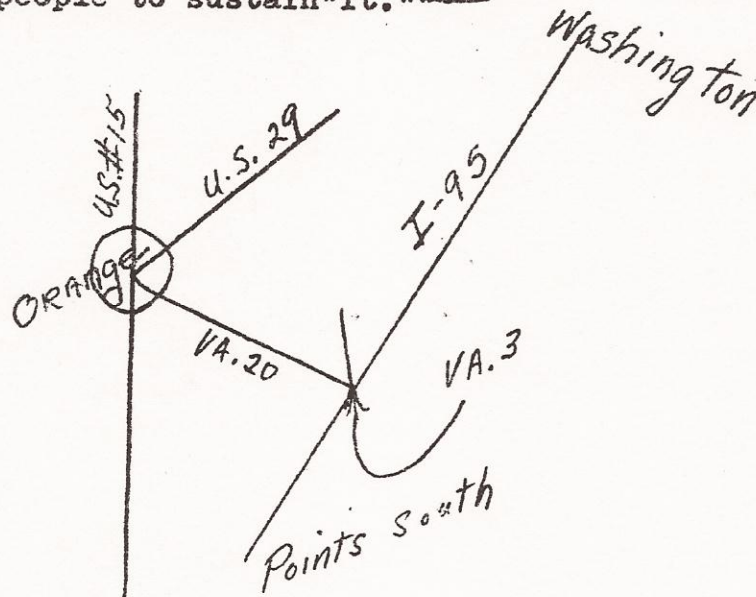

"Bette Leigh and I went down to the Orange, Va. area to work pups at our trainer's and gleaned some news re. the Hawfield Trial concurrently.

Obtained the good offices of Dr. H. Q. Tucker of Orange who has knowledge of the grounds to act as one marshall. He tells us the bird population is up at Hawfield. Members who read the reports of the Virginia Amateur & National Open Shooting Dog Championship know this. The grounds are in excellent shape.

The President Madison Inn's innkeeper, Mr. Sherman, is most co-operative. Plans are set to use the Montpelier Club for the drawing, Mar. 29th, and other facilities, Sat., 30th evening. The President Madison kitchens (excellent) will supply box lunches, if ordered the night before, for the trial.

Those members with schoolchildren, might help them earn points and a day or two off from regular scholastic activity by touring close-by battle sites of the War between the States. Manassas heading south on U. S. 29, Chancellorsville on Va. #3 and the Wilderness on Va. #20 not far from the grounds.

My last words (ed.'s note, we know this is in line with your work, but we trust it was just a trade expression) can only repeat what I've said earlier . . . this trial can provide the high point of NRSFTC activities. The Club is doing all it can now it's up to the Red Setter people to sustain it."
