Honoring the
 “Purest Challenge...”

Presidents Page

by Al Fazenbaker

By the time you receive this issue of the Whip, our Spring Championship and Futurity should be just around the corner. Hope you are able to make the trial this year. The Jim Edgar Wildlife Management Area is a great venue for bird dogs, thanks to the efforts of the Illinois Wildlife Management crew. The trial has something for everyone... horseback stakes, walking stakes, gun dog stakes, and everything from puppy to broke dogs can compete. Give it a try!

Thanks to the efforts of our Board of Directors, we have an updated set of bylaws to guide our club. I want to personally thank all the Board members for their input in updating this important document. As promised, I have directed the editor of the Whip to publish the new bylaws, and they can be found in this issue. Please review the bylaws when you have a chance.

I wanted to extend a note of thanks to the members of the Northwest Field Trial Club for their generous donation of \$500 to the Red Setter Futurity. Club member Craig O'Brian, a founding member of the club, had specified that if the club were to become inactive, that any remaining funds be donated to the Red Setter Futurity. While we were saddened to hear of the demise of the Northwest Club, we are so appreciative of their donation to the Purest Challenge. Thank you for being so generous.

We recently received word that one of our former Board members Bill Aughenbaugh recently lost one of their beloved red setters. "Nellie" was a loved member of the family, and Bill's "go-to" grouse dog in the Pennsylvania woodlands. Our condolences to Bill and Brenda.

Remember that our Red Setter Hall of Fame nominations will begin this summer. Be sure to submit your nomination of a dog and/or person to the editor of the Flushing Whip. More details will follow in an upcoming Whip. The induction and ceremonies will take place next February at the Bird Dog Hall of Fame in Grand Junction, TN. If you have never been to the Bird Dog Museum, it's worth the visit!

Best of luck to those of you participating in the spring field trial season. Spring weather is just around the corner, and it will be summer before you know it. Al Fazenbaker, President

Point Hill Red Setter's "Natural Redline"

Our deepest sympathy to
Bill and Brenda Aughenbaugh
in the recent loss of their beloved

Nellie

A great hunter, field trialer and
Beloved friend....

Rest in Peace Nellie!

Rambling from Red Setter Run

Hi folks: I'm pretty short on space this issue because we wanted to give each member a copy of the newly approved bylaws. Our Board has worked diligently over the past year trying to revise and improve the bylaws for our club. The last time they had been revised was back in 2003 so they were well past due. The entire set is included in this issue— save it for a reference. Bylaws are more than just a couple rules that run the club. Bylaws direct policy that is established both by the board and membership but, beyond that it is a legal requirement by the state in which we are incorporated— which in this case is Illinois. Thanks for helping us get that done!

James Inbody, our Futurity Chair, reported that the Red Setter Futurity received an unexpected donation of \$500 from the Northwest Irish Field Trial Club. The North West Club has been inactive for the last five years and the members have decided to disband it. Their club bylaws specified that if the club became defunct, all remaining monies would be donated to the NRSFTC Futurity. We thank all the members and former members of the Northwest Irish Field trial club, especially remaining members Scott and Fran Seagren and Craig and Carolyn O'Brine. I've shared some nice photos in this issue of their dogs and even their very first trial.

Speaking of trials, we all will gather in Chandlerville Illinois for our Spring Championships and Futurity. Those events run from March 11th through the 15th. We've set time aside for a Run for Fun Puppy stake and also a gun dog stake. If you're not a field trialer but would like to learn more about the game, sign up and come on out. Show us your great hunting companions and join us for our banquet.

Tom Norton's Honor Roll is in this issue— with all my computer issues I missed his last file when he sent it. Thanks Tom for all your hard work.

That last issue I put out had been quite a challenge. I actually wrote and rewrote it 3 times before it got to the printer. It's always tricky when you have that kind of bad luck— you inadvertently make mistakes and upset folks in the process. Part of that issue was researching and compiling a list of the 47 Futurity winners over time— who owned the dog and who bred the dog. By the time I got to the most recent winner, Hatcreek's Lady Red, my brain must have been about worn out. I listed her owner as Joe Edwards when infact it should have said Dwight Ingram. I apologize to Dwight for the misprint and have corrected it on all my records! It isn't my first mistake nor will it be my last— I'm doing the best I can and appreciate your forgiveness when something slips by me. For the most

part you're all very tolerant and kind and I thank you for your support. Peace!

Northwest Irish Field Trial Club donates \$500 to NRSFTC Futurity

Finding opportunities to run your dogs in field trials presents a real challenge for those who live out west in "big country." Dog owners in that area often have to travel several hours in order to find a trial in which to compete. On March 2nd, 2004 a group of red setter owners gathered for the first time because they wanted to form a field trial club and have better opportunities to compete with their dogs.

They came from all over the northwest— Grangeville Utah, Ferndale Auburn and Yakima Washington, Oregon and Canada. In spite of their diverse and varied "home bases," they shared several things in common. First, all of these individuals owned Irish Red Setters. They also were members of the National Red Setter Field Trial Club— and, more than anything, they wished they lived close enough to attend our national trials which, at that time, were being held in Berea Kentucky. Just to give you an idea, Berea, Kentucky is 2,335 miles away from Yakima Washington.

They were a determined group— they organized their plans, wrote their bylaws and established the Northwest Irish Field Trial Club. Their first trial was held at the L.T Murray Wildlife Area on October 8th the following year. Craig O'Brine was the trial reporter and this is what he shared with us at that time.

"The L.T. Murray wildlife area provided an expansive view and near perfect

conditions for the Northwest Irish Field Trial last October 8th. The dogs really moved out as they showcased their skills to the delight of the gallery and judges. Our club certainly offers a big thank you to Judges Jim Pratt and Bill Barney. They did a great job judging and took the time to teach us a few things too. As

(Continued on page 24)

inexperienced as most of us are at field trials, we really appreciated their input. Special thanks should also be extended to Chalsea Sylvanus who provided her own horse and lots of saddle time while she planted the birds for us.

We ate like kings! The food was spectacular. Carolyn O'Brine and Tim Keohane prepared a barbecued salmon and halibut dinner for those in attendance. That coupled with delicious fresh apple crisp and a little Yakima Valley wine put everyone in the best of spirits. You couldn't ask for more. Great dogs. Great weather. Great food.

We had three derby dogs Erinvale Ellie (Ayden) owned by Ellie Halcrow of British Columbia came in first. Ayden had a great run with 2 finds that she

handled very well. Also running in the derby were Jim Tucker with Sunny and Scott Seagren with Ruby.

Tim Keohane and Sharkey's Rheo on the top and Craig O'Brine & Red Delicious Rachel on the bottom

The Open walking shooting dog had six dog running with Saturday's Junior Burgundy (Jr.) owned by Greg Johnson of Ferndale Washington taking the honors. Jr. ran big and had one find which he handled flawlessly, standing tall and steady through it all. Second place was taken by Red Delicious Rachel (Rachel) owned by Craig O'Brine of Yakima, Washington. Rachel also ran a good brace handling well and finding two birds. She had

some movement on both flushes but stopped and stood for the shot. Third place was taken by Whit's Best Star (Star) owned by Steve Witz. Star had good ground coverage with one find and one nonproductive. Also running were Jim Tucker with Sunny, Greg Johnson with Keela and Tim Keohane with Rheo.

Six month old litter mates Buddy owned by Dennis Hubbard and Irish owned by Chris O'Brine, both of Yakima, were the only two puppies running that day. Irish was awarded first place on the strength of his paying more attention to business and doing a good job of hunting.

We had a couple of visitors that dropped by with their red dogs to see what it was all about. Hope they all had a good time and we look forward to seeing them out this spring when we try to put on another trial. We'd love to see some members of the NRSFTC make the trip out west too. What do you say folks? Come join us in God's country!"

Unfortunately, none of us from the NRSFTC Board was able to get out to Washington to watch the trials in the years that followed. The logistics of traveling 2000+ miles made such a visit impossible. It would have been wonderful to take the dogs out west but practicality denied us the chance. However, Craig O'Brine's work occasionally took HIM to Erie Pennsylvania. Erie is only about 20 minutes away from Red Setter Run and it afforded us of the opportunity to get to know the O'Brine's in person. On one occasion Craig and his wife Carolyn came here and I made dinner for all of us. On another visit, although Carolyn couldn't come along, we were able to meet Craig in Erie and have a delightful evening talking about red dawgs and our common love of them! It's been a long distance relationship but we certainly have enjoyed being able to make "east meet west" whenever

(Continued on page 26)

business brought Craig near our home. He's been retired now for several years and I've missed being able to get together and touch base like that!

Meanwhile, the challenge of maintaining the Northwest club was difficult at best. Like so may field trial groups across the country, there just weren't enough active members to keep the club alive. Two couples who attended that first trial, the O'Brine's and the Seagren's, dedicated themselves to keep things going but the logistics alone made it very difficult. In order to plan such events, the couples had to either meet at a halfway place or travel between their homes. From Yakima to Auburn is about a two and a half hour trip. That's five hours in the car above and beyond trying to select trial grounds, plan the event, find judges or figure out the funding to make it all happen. It eventually became too much to continue. Both couples continue to keep their dogs active by hunting over them. For Craig, it was an ideal choice. He only lives about twenty miles from the 105,460 acres of the WENAS Wildlife Area. Those grounds have a dedicated dog training area where the O'Brine's love to hunt. Cooper is six years old and a perfect hunting partner. On a recent hunt Cooper ran up the mountainside and slammed on point. The GPS measured him at 856 yards away. Cooper staunchly held tight until Craig's son Chris climbed up there to flush the covey. By the time Craig made it up to the top, all that was left to do was pick up the singles and marvel at his dog and his son. Hunting up the steep mountain side is a very different "work out" than wandering through the flat woodland terrain of a Pennsylvania grouse hunt. Out west, the dog AND the hunter must both be in great shape and ready to work to obtain their prey. Staying fit and keeping up with this kind of hunting slowly diverted our northwest friends from field trialing over to hunting.

Time passed and a new decade began. Craig realized that it had been five years without activity from the Northwest Irish Field Trial Club. Their original bylaws specified that if the club ever became defunct, any remaining funds would be donated to the NRSFTC Futurity program— to continue its commitment to "the purest challenge in sportsdom." The National Red Setter Field Trial Club certainly appreciates this generous donation. We're sorry the club has run its course and met its end. We thank the Northwest Irish Field trial club for their continued commitment to our mission! Run 'em Red!!

Northwest hunters deal with a rugged terrain

Craig O'Brine with Red Delicious Breelie on his lap and Cooper (her young pup) in his arms. Cooper is out of Breelie and Robert. The Seagren's owns Robert. Great breeding! Cooper is an exceptional hunter ! Craig and Carolyn only have 1 dog at home now and it seems like Cooper may need a mate! The lad is a GREAT hunter for sure and such talent should be passed on ! Here's some shots of the north west with the O' Brine's and Seagren's dogs

In the last several years, NRSFTC club members, Fran Seagren and Craig O'Brine did the lion's share of trying to hold the Northwest Irish club together. Hope you've enjoyed these shots of them— their dogs, and the northwestern terrain. They aren't just club members, they are FRIENDS! The NRSFTC appreciates their donation to our Futurity. THANK YOU!
