Everything now seems to be in readiness for our SPRING CLASSIC
at KILDEER PLAINS, UPPER SANDUSKY, OHIO on MARCH 25 and 26!

An amazing thing has happened for I understand that the trophies
are even in Col Schnettler's hands -- no run around -- deliver as
promised! Ed is also in charge of birds (we hope he doesn't have
them too worn out from using them in training, nor they aren't all
named; one for Jet, one for Little Red etc.!). Have you checked him
Jim? Word from the Gulf floated in that the Beans are now moving on
toward the northland with a stop over in North Carolina. Probably it
is best to move out of the sun gradually.

Motel accomadations should again be made at the Evergreen Motel if
you wish to be with the crowd. Just address to them at Upper Sand-
usky. Drawing will be at the Evergreen Restaurant next door at 9 p.m.
on Friday evening, March 24. Dinner and annual meeting are held on
Sat. evening at the same place.

Kildeer Plains is located west of Route 23, 12 miles north of Marion,
O., or 8 miles wouth of Upper Sandusky. It is also just west and south
of the village of Harpster. Upper Sandusky is on both U. S. 23 (north-
south) and U. S. 30 N. (east-west).

Stables and kennels are available at the trial grounds. Horses are
furnished to the handlers but if you wish a mount for all day either
or both days write to Cliff Bean at above address. Entries should als
go to his Ohio address.

Judges are to be V. V. VanDivort and Ted Steifel. Van has again con-
sented to also do the trial write-up for the American Field.

Wondering what the rewards are for entering besides those of the actual and obvious nature? We have many to offer:

Rotating trophies and permanent for Championship, and first place. Permanent trophy for runner-up (if there is one) and second and third placements.

The new Shooting Dog Rotation award presented by Mr. and Mrs. David Hasinger is called "LeGrande Spring Classic" and must be won three times for permanent possession. It is a lovely silver bowl and ready for an addition to its engraving! Why not try and have your dog's name there?

Last spring's Championship winner was Double Jet to whom full title was given. Now this spring she is to receive another award for she is the winner of the DUKE MEMORIAL TROPHY! This will be presented on Sat. evening to her owner or his delegate, Warren Johnson of Hopkins, Minn. This trophy was donated by Lucy Jane Myers, owner of Draherin Irish Setters of Duluth, and in honor of the late Fred Kremer and all of the wonderful things he did for our field Irish. First winner of it was Ch. Mr. O'Leary, owned by Cliff Bean and second winner was Little Red owned by Jim Flythe. It is given, along with a permanent smaller silver bowl, to the dog gaining the most points in Am Field recognized trials during the year, running March to March.

Double Jet was sired by Double Jack ex. of Lady's Colleen. Lucy Jane Myers has just written recently that Lady's Colleen had a stroke Christmas Eve and had to be put to sleep Dec. 27th. She would have been 13 in Jan. She too was quite a lady with a host of memories for many of us having many wins of her own afield while still with Ned LeGrande and the dam of Ch. Lady's Queen, Brun's Rusty Hobo, Double Cross, Moffat's Apache Bill as well as Ch. Double Jet. Due to so much to do Lucy Jane has placed her remaining field stock with Al Soutar who has so capably handled Draherin Lord Kendrick.

Getting back to Jet she won at our trial in April as well as Northwest Field Trial Assoc. where she was 2nd in Open Shooting Dog. This was an all breed win with the two wins totaling 190 points. In March of '66 she was 1st in the Am Sh. Dog all breed of the Blue Grass Field Trial Club, thus adding 115 and in Oct. she proved it to them again at the same Club trial by taking 1st in the Open shooting dog with 80 more points added making her total 385! Nice going!

Timmy's Baby Bean, owned by Bob Harrison of Gardner, Kansas gave Jet a good run and push with a 314 total. Sire is Candy's Tim O'Day and the dam is Ginger of Spegaldale. Wins were as follows: March '66 1st Am. Sh. Dog at S. E. Kansas F. T. C. all breed (80); April NRSFTC Ch. runner-up (72); also April 3rd in Open Shtg. Dog at Santa Caligon ISC (30); 1st in Irish Open Sh. Dog same trial (50); 1st in Open Sh. Dog (all brd) Santa Caligon in Nov. (55) and N. E. Kansas FTC in Nov. 3rd in Am. Sh. (27).

Taylor's Whirlaway Chief owned by Mary Taylor and handled by Henry was next in the line-up with 5 good wins. Sire is Taylor's Whirlaway Pat and dam is Double Jack's Rose. ~~Double Jack's Rose is the dam of Taylor's Whirlaway Chief.~~

Chief's wins include 2nd in Open All Age at Santa Caligon Mar. '66; 3rd All Age at N. Mo. F. T. Assoc. Sept.; 1st Am All Age at Sunflower State FTC in Oct.; 2nd in All Age at Santa Caligon in Oct.; and 2nd in the Nov. Santa Caligon Open Sh. Dog stake.

Vanita's Wild Gael owned by Dr. and Mrs. J. S. Van Wye of Kansas City was next in the line up and is by Mr. O'Leary exx Tara O'Shadycrest. Her wins include 2nd in the Open Sh. Dog at Santa Caligon April trial; 1st in the Open Derby for Irish only as was the above and second in the All breed Sh. Dog. A busy little gal! Her others were Husker Neb. April event were she had a 3rd in the all breed Sh. Dog; 3rd in Nov. Santa Caligon and in both the Sht. Dog Open and Irish only.

Autumn Hills Penny owned by Dr. C. H. Bloom of Minneapolis had three nice wins two of which were in open stakes. Ed Schnettler, handled. Her sire: Autumn Hills Frank and Dam: Autumn Hills Maggie.

Autumn Hills Count owned by Jim Flythe had 3 good wins. His sire is Autumn Hills Duke and Dam was Autumn Hills Amber.

Autumn Hills Sam a litter mate I believe owned by Ed Johnson of Spicer Minn., had a good win in the All Breed at Southern Wisc. during '66.

Windyrige Tammy owned by Cliff Bean had two good NRSFTC win^s She has been "ailing" the past year and is acting like a derby Cliff says since surgery this winter. She is by Ike Jack Kendrick ex. Van's Cindy.

More good wins were made by Miller's Tiger Lil owned by Dr. Paul Miller of Grand Ledge, Mich. and Bean. Her breeding is by Sulhamstead Norse D'Or and Miller's Bonnie Loo.

County Clare's Shandy owned by E. J. Lewis and handled by Stan Head was our fall champion; Schnet's Little Red made her name known at the South Eastern Pointer & Setter Club trial in April. She is owned by Flythe now. Schnet's Darcy was number 1 at the Nov. Santa Caligon trial and will moving on to the Canadian circuit soon with Dr. D. Kelly of Edmonton, Alberta. A rough one to part with for Ed and a good one for Dr. Kelly!

Still another winning Irish to be called attention to is County Clare's Lad who is by Valli Hi County by Fawn and another E. J. Lewis dog. Lad took both Derby and Puppy at our fall trial.

I haven't mentioned everyone's winners but these seemed the outstanding and I hope of interest to particularly our newer members who might not know of them nor their breeding.

Many notes have come in--first a word from the Sandhills that horses are hard to get and expensive this year. Mounts can no longer be gotten from the people at Rising Sun and from the new and apparently only other source they will run \$20 a day. Perhaps you can get together with someone else if you wish to ride more than your own brace and share the cost.

Kathryn Gonzales has offered to make up address labels for the Whip. If we continue with present system or if we go to more elaborate means we still would like your Zip code so when writing please include it if I am not using one when addressing this Whip.

A change of address should be noted for member Santo R. De Stefano to 6001 SW 112 Court, Miami, Fla. (A long way from St. Paul!)

From Margaret Haddock now in Springfield, Mo., the advise might be to stay in the cold--at least their family was healthier there! They have 1 male and 2 females left that they would like to see someone run in trials out of D-Mar's Whirling Rebel (nearly 1900 wins in progeny) and Gypsy D"Or. Pups carry white on chest and have ideal whelping date of Jan. 2. Contact Dwight Haddock, Rt. 10, Box 725, Springfield, Mo. 65803 for further details. They also have a "Rebel" for stud by Taylor's Whirlaway Pat.

From Pat Cooper is a card from Grand Junction Tenn. where she is lucky enough to be riding. Dr. G. B. is running Wahoo Arkansas Ranger there with Bill Rayl. (Color him Red, Pat!)

As a member of the Amateur Field Trial Clubs of America we are entitled to one vote at their annual meeting to be held at Waynesboro, Ga., the 6th. We may be represented by Pres. or sec. but since neither can be present a proxy is being mailed to Miss Leslie Anderson, sec. It would be nice to take part in this meeting sometime.

Assoc. Bird Dogs meeting is also to be held this month on Mar. 5 at the Ohio Wildlife office in Columbus. Election of officers and fall trial dates will be set up.

Regrets that they won't be able to make the trial have come from Bette Leigh and Jack Ullrich and the Jim and Lil Lewis kennels. Dr. Roger Strand plans on making his way through the drifts of Minneapolis. Joe Cannon hopes to join us at a latter date with some pups he's working on but won't be able to make it this time. He was incorrectly listed as sec. however due to fact that the Field ad was made up from last fall's as model.

Entry fees are as follows and should be sent to F. C. Bean, Rt. 3, Athens.

OPEN PUPPY (20 min.) \$8.00
 AMATEUR SHOOTING DOG (30 min.) \$12.00
 OPEN DERBY (30 min.) \$8.00
 CHAMPIONSHIP One hour heats . . . contiguous courses . . . \$20.00
